

The UK's longest-running VW Polo organisation,
established 1996

Membership Application Form

Welcome to the VW Polo Register, the UK's **longest-running** VW Polo organisation. Formed in 1996 by a group of enthusiasts who wanted to fill a gap in the VW scene, the club caters for **all VW Polo models** and exists to gain support, provide a presence at Volkswagen events and to promote VW's small car, once crowned by *What Car?* magazine as 'the best small car in the world.'

Whatever 'flavour' your Polo is, 'original' or 'extra strong', all are warmly welcomed. Quarterly newsletters keep club members in touch and informed about Polo news, views, motorsport and owners' advice. We are also now part of the vast Association of British VW Clubs and can offer a wide range of discounts including motor insurance, breakdown cover, discounts, ABVWC support and more. We will also provide you with additional news e-mails and mailshots. In addition, members can also take part in club meetings, track days and regular displays at VW events. The Register has also visited racing circuits to watch Polos in motorsport and has also organised 'Polo Expo 25', the UK's first VW Polo event, held in 2000.

Finally, we have two websites in addition to an e-group for our online members, and through strong links with Volkswagen UK, the VW Polo Register has also provided vehicles for Polo press launches. If you would like to join the UK's longest-running Volkswagen Polo organisation, please complete the form opposite and return it to the address shown.
